The Physicians Research Foundation invites applications from the API members who are interested in conducting research studies in the area of Medicine and its Subspecialties.

The application should include the following:

1. Hypothesis with clear Aims and Objectives (250 words)
2. Review of Literature including References (1500-2000 words)
3. Methodology including Study Design, Sample Size, Sampling Techniques, Study Duration, Inclusion & Exclusion Criteria, and details of scientific instruments used along with proforma, primary and secondary outcome variables, statistical analysis (proposed), etc. (1500-2500 words)
4. Anticipated outcome and benefits (250 words)
5. Budget with justification

The application should be submitted by Registered or Speed Post to the Director, PRF by November 30th, 2016. Maximum duration of the project can be 2 years. Selected research studies will need to submit the detailed report at the completion of the study, and the same may need to be presented at the subsequent APICON. Any publications arising out of the works of such approved studies will need to acknowledge PRF / API.

One scanned application can also be submitted by e-mail to prfresearch1@gmail.com

For further information regarding the research grant kindly log on to the PRF website www.apiicpprf.in
